

COVID-19 Daily Temperature and Symptom Monitoring Worksheet

INSTRUCTIONS:

All crew onboard must take their temperatures twice daily, once in the morning and once in the evening, and report any symptoms they are experiencing. For each day, document the morning and evening temperature and place an X in the box next to each symptom that the person is experiencing. If the person is experiencing a symptom that is not listed, it can be written into the row labeled as 'Other' for the corresponding date and time. If the person is not experiencing any symptoms, place an X in the box labeled "No symptoms". If the person reports a fever or any of the symptoms listed, call your healthcare provider.
